

HYDRAULIC VALVE LIFTER CLEANER

Wynn's Hydraulic Valve Lifter Cleaner is developed to dissolve gum and lacquer from oil channels and maintain the cleanliness of the hydraulic valve lifters, reducing valve train noise and providing effective engine lubrication.

1.

Cleans the Hydraulic System

Dissolves gum and lacquer
Frees sticking hydraulic lifters

2.

Protects the Engine

Reduce engine wear
Ensure effective lubrication

One tin treats up to 20 liters of engine oil.
Compatible with all engine oils
and engine types.

- Dissolves dirt, gum, and varnish deposits in the oil channels.
- Releases sticking hydraulic valve lifter components.
- Quietens valve train noise.
- Reduces engine wear by ensuring effective lubrication.
- Contains EP agents for extra engine protection.
- Does not harm turbos, catalytic converters, diesel particulate filters or AdBlue systems.
