XTREME PETROL SYSTEM CLEAN

powerful 'one tank' clean-up

Wynn's Xtreme Petrol System Clean is a powerful 'one tank' clean-up, designed to restore, protect and maintain the performance of modern direct injection petrol engines.

Properties

- ✓ Cleans and protects the injectors and entire fuel system restoring lost engine performance.
- ✓ Contains PEA (polyetheramine) to help remove stubborn deposits from the fuel system, combustion chamber and turbo outlet.
- ✓ Helps maintain the cleanliness of the turbo, EGR and CAT.
- ✓ Restores fuel economy and reduces exhaust emissions.

Applications

- ✓ Excellent performance in all petrol and bio fuel up to E85.
- ✓ Recommended for all petrol engines, including direct injection, carburettor and hybrid engines (CGI, FSI, GDI, SIDI, TFSI, ...)

Directions

- ✓ Add to minimum ½ tank of petrol (20 – 30 litres).
- ✓ One bottle treats up to 50 litres of petrol.
- ✓ **Bottle also suitable for capless fuel fillers.**
- ✓ To maintain the performance of the engine, we recommend to use Xtreme Petrol System Clean every 3000 miles (5000 km) or more frequently in vehicles used primarily for short distances.
