PROBIOTIC AC CLEANER

Refreshing spearmint fragrance

Wynn's Probiotic A/C Cleaner is an innovative air-conditioning cleaner formulated with probiotics designed to deep clean of the A/C system by reducing bad odours and the risk of allergens to improve air quality. It is packaged in an easy-to-use 'one shot' aerosol can.

Properties

- ✓ Highly effective cleaner for air conditioning system, including the evaporator. Action based on the combination of surfactants and probiotics that produce enzymes for a long time.
- ✓ The enzymes break down organic dirt, whereby the dirt is separated from substrate and brought into dissolved or colloidal state.
- ✓ Actively prevents unpleasant odours.
- ✓ Reduce the risk of allergens.
- ✓ Microscopically deep cleaning.
- ✓ Safe for all air conditioners and interiors.
- ✓ Safe for humans, pets and nature. Safe for drivers and technicians
- ✓ Probiotics continue the cleaning process for a long time after application (approx. 6 months/spray).
- ✓ Improve air quality
- ✓ Leaves a long last fresh spearmint fragrance

Applications

- ✓ For all vehicle air-conditioning systems.
